

Week 4 / Be Generous

Scripture: Mark 12:28-34 & 41-44

Bottom Line: Generosity is a choice that builds up others and leads us to be more like Jesus.

Disclaimer: When we talk about generosity we are all at a different places. Be honest with each other but also kind and patient as you process these ideas in group!

Video Question: What's the most generous moment you have experienced? How did that make you feel?

1. Start group by going back to the Bible and reading our text from this week. What is inspiring to you about Jesus new way to live and the story of the widow?
2. Are you a naturally generous person or wired to be more selfish? Why do you think you are wired that way?
3. We talked about the two mindsets that tend to guide our lives. We live with a scarcity or an abundance mindset. What's one area of your life you live with a scarcity mindset and how has it impacted you?
4. Why is it important that our generosity always "limit" us from other things we might want to do?
5. Do you tend to be more selfish with your time or your money? Why?
6. What are ways you need to be more generous with your time?
7. What are ways you need to be more generous with your money?

In May could your group do something together to be generous together? Talk about that as a group! Dream big!
