

Oct. 7 / The Problem of the Bible

Text: 2 Timothy 3:16-17

1. What does the Bible mean to you and why?
2. What were you taught about the Bible growing up and how has that changed over the years?
3. What aspects of the Bible are hard for you and why?
4. Have you ever had a conversation with someone that totally dismisses the Bible? How did you deal with that?
5. Read the text from this week together as a group. What is most important about this passage when it comes to talking about the Bible?
6. When it comes to historical evidence for trusting the Bible which one helps you the most? (number of manuscripts, time of their writing, living witnesses, name dropping, counterproductive content)
7. How do you deal with the cultural differences we encounter in the Bible?
8. How do you personally read the Bible? What's your motivation? How does your personal perspective shape how you trust the Bible?
