

Made New-Week 3

Luke 24:36-49

- What has God been doing in your heart this week as you reflect on the resurrection of Christ?
- With all the uncertainties in life, where are you most tempted to fear the future? What does Jesus speak to you about this fear?
- Jesus never condemns their fear but instead is present in the midst of their fears. How can you proactively seek Christ to turn your fears into productivity and faith? Will you consciously invite Christ into your fears and just simply expressed your need of him?
- Jesus led them to hope in His plan not their plan. How do you process that for us to understand Christ we must first have our minds opened by him? How does this humble you?
- Where do you tend to trust yourself instead of the Holy Spirit as you do the works of God's Kingdom?
- The resurrection brings new life to our future because Jesus is choosing to be with us in the uncertainty of life.
- ...and behold I am with you always, to the end of the age -Jesus
