

2 Samuel 23-The Faithfulness of God

- You can live your life in light of God's faithfulness. We can truly trust in the perfection of God and not worry. What is one area that the Holy Spirit is stirring in you that you would desire to truly live in light of God's faithfulness?
- David went from shepherd boy, to prominent king, to disgraceful sinner, to humble man, all highlighting that God is faithful and is working his will to bring about salvation through his Son Jesus Christ. Where were you surprised to spot Jesus the Messiah through the life of David?
- God's faithfulness gives you confidence in your purpose. Our purpose is ultimately to honor Jesus and give of ourselves. Where have you defined success by the standards of the world? What promise of God can you believe to reject this definition of success?
- God's faithfulness gives you hope in your suffering. Are you presently in the midst of a storm and need some hope? Is there anything you can pull from David's life that can bring you this hope? If you don't see anything, will you ask a friend in your small group to help?
- We were made for another world, a new heaven and new earth. Christian, are you living your life with an eye toward eternity or are you entangled with the cares of this world and bogged down with worry and fear? Look to Jesus, the Author and Perfector of your faith.
- ...in hope of eternal life, which God, who never lies, promised before the ages began...Titus 1:2
