

1 John 3-4 Loving Others Well

- **Loving others should be the driving goal for me every day. Yet the problem is people are hard to love. So what does loving others look like for you today?**
- **Is love even genuine if it's not directed toward those who can't give us any return?**
- **The overflow of knowing Jesus and following Jesus is loving others. Have you considered lately how Jesus loves you? How he pursued you when you weren't/aren't lovely? How does this humble you and prompt you to love others well?**
- **Jesus invites us to love others sacrificially. Jesus' love was in action, in selflessness, and was intentional. When am I going out of my way to give my time, money, and energy to others?**
- **Loving others is our great witness to the character of our God. God is love.**
- **Are you on mission daily to love others sacrificially or are you in pursuit of your own entertainment and ease? What is one change you could make this week to be more others focused?**
- **In this is love, not that we have loved God but that he loved us and sent his Son to be the propitiation for our sins vs. 10.**
