

Behold! Matthew 2:1-12

- **What is truth? Where do you seek for truth? Do you believe that God's truth is found in the Scriptures?**
- **What is worship? Have you identified this week something you worship apart from God and his Son Jesus Christ? What dominates your time, resources, energy, and efforts in your life? The answer to these questions can reveal who or what you worship.**
- **Worship is a result of seeking truth. We see this in the lives of the Wisemen. Their pursuit of truth led them to come and worship the Christ Child.**
- **The worship of self is the way of fools. Now we see this in the life of King Herod. He was consumed with himself, and this led to destruction in his life and the lives of others.**
- **Have you identified a place where you've lied to yourself in order to do things your way rather than what God would have for you?**
- **If you abide in my word, you are truly my disciples, and you will know the truth, and the truth will set you free. Jesus in John 8:31-32**
