We are so thankful to be able to meet together digitally in this season. Welcome to week 2 of House Church. Thanks, Greenville Community Church for proving **the church is more than a building it's a movement**. This is a simple House Church guide to help you.

Please remember to keep your gatherings under the 10 person guideline if you have more than family over. Also, if you are sick don't gather with other people and as the norm, wash those hands!

We recommend you set your House Church gathering around a set time, the HC Video will be ready Sunday morning for you. We think adding a meal before or after is a great idea. We hope you will read Scripture together, pray together, ask questions together, and at times worship together. Each week will be different so be ready to pause the video when asked to pray or share or read Scripture.

After you watch the House Church message together on our Website or on our Facebook page here are 4 questions to process as a group. If you are worshiping alone get journal your responses to these questions.

1. What did the Holy Spirit reveal to you in this parable today?
2. This pandemic has upended our lives and shaken many things we take for granted. Where has this season exposed where you place your hope?
3. The Rich Man was chasing more and hoping more would bring satisfaction. What are things we are tempted to chase for satisfaction?
4. What does it mean to be "rich toward God" to you in this season?

Worship and Prayer Response

This morning want our prayer and worship to be focused on communion and we want you to share communion with a new song called The Blessing with a version that was recorded just a few days ago as this pandemic hit our nation. **This song is our prayer for you and our hope**. Here are the steps for this experience, we pray you will get "uncomfortable" and take these steps in order.

1. With sharing communion **be flexible** with the elements, use pieces of bread and some kind of juice or wine. (Mike will remind you how we do this on the House Church teaching)
2. **Read** aloud the account of the first communion from Luke 22:14-23.
3. Use YouTube and play **The Blessing - Live From Home – Cody Carnes and Kari Jobe**. Allow the song to play for the entire 7 minutes and be still, worship, pray, listen. Here is the link <https://www.youtube.com/watch?v=VZJFHh93FGc>
4. **Share** the elements...like we do at GCC by dipping the bread into the juice.

5. **Be still and pray** and listen to the song until the end. Be honest with God about your needs, your fears, and your desires for the future.
6. End this time and have someone **offer a prayer of thanksgiving** for the sufficient work of Jesus.

Thanks for sharing communion together and remembering the work of Jesus together. We are here for you! If you need anything from our team just email one of our staff from the website!
