

April 26, 2020

We are so thankful to be able to meet together digitally in this season. Welcome to week 6 of House Church. Thanks, Greenville Community Church, for proving **the church is more than a building; it's a movement.** This is a simple House Church guide to help you.

We recommend you set your House Church gathering around a set time. The HC Video will be ready Sunday morning for you. We think adding a meal before or after is a great idea. We hope you will read Scripture together, pray together, ask questions together, and at times worship together. Each week will be different, so be ready to pause the video when asked to pray or share or read Scripture.

## **Worship and Prayer Moment...**

**Before you read Scripture and watch the teaching video,** our worship team is going to sing the song *King of My Heart* over us. During this song, feel free to sing along, journey, pray, or just listen. With worship at home, just make sure and be fully present in that short 4-5 minute block of time. **Center your heart on Jesus and be still.**

## **Sunday Questions...**

Here are 4 questions to help you process the teaching today personally, as a family, or a group (under 10 please). If you are worshiping alone, journal your responses to these questions.

1. What did the Holy Spirit reveal to you in this parable today?
2. Does being a part of the Kingdom of God change anything in your practical 2020 life?
3. Jesus affirms eternity in this passage. Heaven is being in the presence of God and Hell being apart from God, how does that understanding make you feel about eternity?
4. If Heaven is going to be full of surprises with the people who are there how should that change how I pray for and serve the people in my present life?

End your time together with a time of prayer. **This week let's pray for wisdom.**

Pray that God will help us know how to serve our neighbors and coworkers well as we start to resume some outside activities.

Pray that God will give our city, state, and national leaders wisdom as the lead.

Pray that our church leadership will continue to lead well in this time.

Pray that we will be able to be Christ like even when people around us are struggling to adjust.
