

April 5, 2020

We are so thankful to be able to meet together digitally in this season. Welcome to week 3 of House Church. Thanks, Greenville Community Church, for proving **the church is more than a building it's a movement.** This is a simple House Church guide to help you.

We recommend you set your House Church gathering around a set time, the HC Video will be ready Sunday morning for you. We think adding a meal before or after is a great idea. We hope you will read Scripture together, pray together, ask questions together, and at times worship together. Each week will be different so be ready to pause the video when asked to pray or share or read Scripture.

## **Worship and Prayer Moment...**

**After you read Scripture and watch the teaching video** we asked our friend Lee McDerment from NewSpring Greenville to lead us in a time of prayer and a hymn. During this song feel free to sing along, journey, pray, or just listen. With worship at home just make sure and be fully present in that short 4-5 minute block of time. Center your heart on Jesus and be still.

## **Sunday Questions...**

Here are 4 questions to help you process the teaching today personally, as a family, or a group (under 10 please). If you are worshipping alone journal your responses to these questions.

1. What did the Holy Spirit reveal to you in this parable today?
2. When have you fallen into the trap of thinking people "deserved" the trouble or trials they were enduring? Why are we quick to leverage blame when trials come?
3. God is patient and invites people to repent. If God is patient with us and we are His children as followers of Jesus then why do we struggle with patience so much?
4. In this season where do you need to embrace patience?

End your time together with a time of prayer. **This week let's pray our neighborhoods.**

Pray for God's protection from the virus.

Pray for God to provide for those who have lost jobs.

Pray for those who can't be with their sick loved ones because of the virus and restrictions.

Pray God will draw many of our neighbors to become followers of Jesus in this time.
