We are so thankful to be able to meet together digitally in this season. Welcome to week 9 of House Church. Thanks, Greenville Community Church, for proving **the church is more than a building; it's a movement.** Below is a simple House Church guide to help you.

We recommend you set your House Church gathering around a set time. The HC Video will be ready Sunday morning for you. We think adding a meal before or after is a great idea. We hope you will read Scripture together, pray together, ask questions together, and at times worship together. Each week will be different, so be ready to pause the video when asked to pray or share or read Scripture.

## **Worship and Prayer Moment...**

**Before you read Scripture and watch the teaching video,** our staff is going to take time to read Scripture over us. During this moment, be still, journey, pray, and listen. With worship at home, just make sure and be fully present in that short 4-5 minute block of time. Center your heart on Jesus and be still.

## **Sunday Questions...**

Here are 4 questions to help you process the teaching today personally, as a family, or a group (under 10 please). If you are worshipping alone, journal your responses to these questions.

1. What did the Holy Spirit reveal to you in this parable today?
2. Do you find yourself judging others as the religious leaders judged Jesus in this passage?
3. Do you find it easy or difficult to relate to the idea that God pursues people?
4. Why do we give up on people so easily and what is one way we can start engaging people like Jesus models here in this parable?

End your time together with a time of prayer. **This week let's pray for each other.**

Let each person gathered with you share how they are doing as we enter this next phase of COVID-19 and pray for each person specifically. Pray God will give each of us strength and wisdom to finish well and not miss what He is teaching us.
