We are so thankful to be able to meet together digitally in this season. Welcome to week 6 of House Church. Thanks, Greenville Community Church, for proving **the church is more than a building; it's a movement.** Below is a simple House Church guide to help you.

We recommend you set your House Church gathering around a set time. The HC Video will be ready Sunday morning for you. We think adding a meal before or after is a great idea. We hope you will read Scripture together, pray together, ask questions together, and at times worship together. Each week will be different, so be ready to pause the video when asked to pray or share or read Scripture.

## Worship and Prayer Moment...

Before you read Scripture and watch the teaching video, our worship team is going to sing the song *It is Finished* over us. During this song, feel free to sing along, journey, pray, or just listen. With worship at home, just make sure and be fully present in that short 4-5 minute block of time. Center your heart on Jesus and be still.

## Sunday Questions...

Here are 4 questions to help you process the teaching today personally, as a family, or a group (under 10 please). If you are worshipping alone, journal your responses to these questions.

1. What did the Holy Spirit reveal to you in this parable today?
2. How does the humility of Jesus inspire you?
3. With who or where do you find humility difficult?
4. If humility is developed, what are some specific things in your life that you need to address to see humility flourish?

End your time together with a time of prayer. **This week let's pray for direction.**

Ask God to help us know how to navigate the next phase of reopening in our state.

Ask God to help us know how to best serve the people around us.

Ask God to help us to make wise decisions as we head back to some form of normalcy.
