We are so thankful to be able to meet together digitally in this season. Welcome to week 14 of House Church. Thanks, Greenville Community Church, for proving **the church is more than a building; it's a movement**. This is a simple House Church guide to help you.

This week is different because we have started back our physical gathering at 50% capacity. We are committed to continue to provide a weekly digital experience also for people in our city and beyond.

We recommend you set your House Church gathering around a set time. The HC Video will be ready Sunday morning for you. We think adding a meal before or after is a great idea. We hope you will read Scripture together, pray together, ask questions together, and at times worship together. Each week will be different, so be ready to pause the video when asked to pray or share or read Scripture.

Worship and Prayer Moment...

Before you read Scripture and watch the teaching video, we want to suggest a song for you to listen to or stream on YouTube. The song this week is **Cornerstone by Austin Stone Worship**.

Here is the YouTube Link to that song live / <https://www.youtube.com/watch?v=gv5Aaab0XU4>

Listen, pray, and prepare your heart for the message before you start the teaching video! (We know it's very long on the track...spend as much time as you want with the song in reflection and prayer since we will do a shorter version at GCC!)

Questions...

Here are 4 questions to help you process the teaching today personally, as a family, or a group. If you are worshipping alone, journal your responses to these questions.

1. What did the Holy Spirit reveal to you in this parable today?
2. When are you most tempted to push God away like the farmers did in this parable?
3. What have you replaced Jesus with in the past as the cornerstone of your life?
4. What are do you need to focus on (listening, not following the crowd, or willingness to change) in order to make Jesus the cornerstone of your life?

Prayer / Jesus reveal to all of us how we can make you the cornerstone of every aspect of our lives!
