We are so thankful to be able to meet together digitally in this season. Welcome to week 15 of House Church. Thanks, Greenville Community Church, for proving **the church is more than a building; it's a movement**. This is a simple House Church guide to help you.

This week is different because we have started back our physical gathering at 50% capacity. We are committed to continue to provide a weekly digital experience also for people in our city and beyond.

We recommend you set your House Church gathering around a set time. The HC Video will be ready Sunday morning for you. We think adding a meal before or after is a great idea. We hope you will read Scripture together, pray together, ask questions together, and at times worship together. Each week will be different, so be ready to pause the video when asked to pray or share or read Scripture.

Worship and Prayer Moment...

Before you read Scripture and watch the teaching video, we want to suggest a song for you to listen to or stream on YouTube. The song this week is **Goodness of God by Bethel Music**.

Here is the YouTube Link to that song live / <https://www.youtube.com/watch?v=n0FBb6hnhwTo>

Listen, pray, and prepare your heart for the message before or after the teaching video!

Questions...

Here are 4 questions to help you process the teaching today personally, as a family, or a group. If you are worshiping alone, journal your responses to these questions.

1. What did the Holy Spirit reveal to you in this parable today?
2. Have you considered the return of Jesus an important part of following Jesus? Why or why not?
3. How can the return of Jesus lead you to hope, love, and faithfulness?
4. We can't know everything about the return of Jesus but we do know Jesus gives us the Holy Spirit to be with in this moment, Jesus is going to return, Jesus is working to restore this broken world, and Jesus wins. Which one of these truths do you need most today?

Prayer / Jesus reveal how your promised return brings hope, love, and faithfulness in our lives!
