We are so thankful to be able to meet together digitally in this season. Welcome to week 12 of House Church. Thanks, Greenville Community Church, for proving **the church is more than a building; it's a movement**. This is a simple House Church guide to help you.

This week is different because we have started back our physical gathering at 50% capacity. We are committed to continue to provide a weekly digital experience also for people in our city and beyond.

We recommend you set your House Church gathering around a set time. The HC Video will be ready Sunday morning for you. We think adding a meal before or after is a great idea. We hope you will read Scripture together, pray together, ask questions together, and at times worship together. Each week will be different, so be ready to pause the video when asked to pray or share or read Scripture.

## **Worship and Prayer Moment...**

**Before you read Scripture and watch the teaching video,** we want to suggest a song for you to listen to or stream on YouTube. The song this week is **Make Room by Community Music**. Listen, pray, and prepare your heart for the message before you start the teaching video!

## **Questions...**

Here are 4 questions to help you process the teaching today personally, as a family, or a group. If you are worshipping alone, journal your responses to these questions.

1. What did the Holy Spirit reveal to you in this parable today?
2. When are you most tempted to lose heart in your life?
3. Why don't we pray for God to bring justice as much as we worry about injustice in our world?
4. What are steps you need to take to pray intentionally in these days?

## **Prayer...**

As you finish your time take just a few minutes to pray intentionally for our city and our nation. Pray God would help us to be people of hope in the midst of chaos. Pray for endurance.
