

August 2, 2020

We are so thankful to be able to meet together digitally in this season and begin the process of regathering physically. Thanks, Greenville Community Church, for proving **the church is more than a building; it's a movement**. No matter if you connect online or you gather with us at our venue, we are praying this month you will engage consistently.

We recommend you set your House Church gathering around a set time. The HC Video will be ready Sunday morning for you. We think adding a meal before or after is a great idea. We hope you will read Scripture together, pray together, ask questions together, and at times worship together. Each week will be different, so be ready to pause the video when asked to pray or share or read Scripture.

## **Worship and Prayer Moment...**

We focus our digital experience on teaching and helping you process deeper questions. We also want to give you a suggested song each week to use for prayer and reflection as you prepare. This week we encourage you to use the song **Lord I Need You, by Matt Maher**. You can find it on Spotify, Apple Music, or here is a version on YouTube.

Put your headphones, be still, pray, reflect. Worship is just our response to the greatness of God!

## **Sunday Questions...**

Here are 4 questions to help you process the teaching today personally, as a family, or a group. If you are worshipping alone, journal your responses to these questions.

1. What did the Holy Spirit reveal to you today?
2. Do seasons of change excite you or frustrate you?
3. From these first 9 verses in Joshua, what part of God's message to him connects with you the most?
4. What is keeping you from trusting God when so much seems to be changing in our culture? Do you doubt He is with us, and what do these verses push us to do differently as we step into new territory?

End your time together with a time of prayer. **This week pray for the area you need most right now as we enter this new season. Insight, courage, or faith...what do you need. Ask God for that!**
