We are so thankful to be able to meet together digitally. Welcome to Brunch Church! Thanks, Greenville Community Church, for proving **the church is more than a building; it's a movement**. This is a simple House Church guide to help you.

We recommend you set your House Church gathering around a set time. Since we are having brunch at GCC, come on and make breakfast for yourself! The HC Video will be ready Sunday morning for you. These are different weeks because we are addressing a cultural topic, and each week we have a guest to help us think from a different perspective.

This week we tackle **Racism, Justice, and the Church**. Listen to our interview with Pastor Will Plonk and then take some time to work through these questions.

Questions...

Here are four questions to help you process the teaching today personally, as a family, or a group. If you are worshiping alone, journal your responses to these questions.

1. What did the Holy Spirit reveal to you in this interview today?
2. Have you ever witnessed racism play out around you? How did you respond at that moment?
3. Do you understand what black and brown people are trying to say in 2020? How can you personally decide to gain a better understanding?
4. As a follower of Jesus what step can you take to help foster racial reconciliation and help ensure people of color have more opportunity in Greenville?

Prayer / Take some time to explore your heart to find prejudice and bias. Confess that to God and find the beginning of freedom. Take time and pray for our nation as we long for racial reconciliation and healing.
