

August 16, 2020

We are so thankful to be able to meet together digitally in this season and begin the process of regathering physically. Thanks, Greenville Community Church, for proving **the church is more than a building; it's a movement**. No matter if you connect online or you gather with us at our venue, we are praying this month you will engage consistently.

We recommend you set your House Church gathering around a set time. The HC Video will be ready Sunday morning for you. We think adding a meal before or after is a great idea. We hope you will read Scripture together, pray together, ask questions together, and at times worship together. Each week will be different, so be ready to pause the video when asked to pray or share or read Scripture.

Worship and Prayer Moment...

We focus our digital experience on teaching and helping you process deeper questions. We also want to give you a suggested song each week to use for prayer and reflection as you prepare. This week we encourage you to use the song **Make Room, by Community Music**. You can find it on Spotify, Apple Music, or here is a version on YouTube.

Put your headphone, be still, pray, reflect. Worship is just our response to the greatness of God!

Sunday Questions...

Here are 4 questions to help you process the teaching today personally, as a family, or a group. If you are worshiping alone, journal your responses to these questions.

1. What did the Holy Spirit reveal to you today?
2. Why do you think God made crossing the Jordan River so grand in this moment?
3. Do you struggle to remember the work and character of God in the midst of your present challenges?
4. When did God show up in a powerful way in your life in the past and how can that help you today?

End your time together with a time of prayer. **Take time to remember the work of God behind you so you can lean into the future with hope.**
