

September 27, 2020

We are so thankful to be able to meet together digitally in this season and begin the process of regathering physically. Thanks, Greenville Community Church, for proving **the church is more than a building; it's a movement.** No matter if you connect online or you gather with us at our venue, we are praying this month you will engage consistently.

We recommend you set your House Church gathering around a set time. The HC Video will be ready Sunday morning for you. We think adding a meal before or after is a great idea. We hope you will read Scripture together, pray together, ask questions together, and at times worship together. Each week will be different, so be ready to pause the video when asked to pray or share or read Scripture.

Worship and Prayer Moment...

We focus our digital experience on teaching and helping you process deeper questions. We also want to give you a suggested song each week to use for prayer and reflection as you prepare. This week we encourage you to use the song **King of Kings, from Hillsong Worship**. You can find it on Spotify, Apple Music, or here is a version on YouTube.

Put your headphone, be still, pray, reflect. Worship is just our response to the greatness of God!

Sunday Questions...

Here are 4 questions to help you process the teaching today personally, as a family, or a group. If you are worshiping alone, journal your responses to these questions.

1. What did the Holy Spirit reveal to you today?
2. What does the establishment of cities of refuge in Joshua 20 reveal to you about God?
3. What areas of injustice in the world are heavy on your heart? Why? Are you praying and seeking ways to push against that injustice?
4. Does your perspective and practice of fighting for justice honor Jesus? What needs to change so that you are loving your neighbor well?

End your time together with a time of prayer. **Take some time to lift up and invite God to help you join him in fighting for justice in a way that honors Him. Pray God would push back and correct injustices that you see in our world today.**
