

January 10, 2021

We are so thankful to be able to meet together digitally in this season and begin the process of regathering physically. Thanks, Greenville Community Church, for proving **the church is more than a building; it's a movement**. No matter if you connect online or gather with us at our venue, we are praying this month, you will engage consistently.

We recommend you set your House Church gathering around a set time. The HC Video will be ready Sunday morning for you. We think adding a meal before or after is a great idea. We hope you will read Scripture together, pray together, ask questions together, and at times worship together. Each week will be different, so be ready to pause the video when asked to pray or share or read Scripture.

Worship and Prayer Moment...

We focus our digital experience on teaching and helping you process deeper questions. We also want to give you a suggested song each week to use for prayer and reflection as you prepare. This week we encourage you to use the song **How Deep the Father's Love from Austin Stone Worship**. You can find it on Spotify, Apple Music, or here is a version on YouTube.

Put your headphones, be still, pray, reflect. Worship is just our response to the greatness of God!

Sunday Questions...

Here are four questions to help you process the teaching today personally, as a family, or as a group. If you are worshipping alone, journal your responses to these questions.

1. What did the Holy Spirit reveal to you today?
2. Why is being connected in community so difficult for people?
3. What does it mean to you to be FOR other people, your neighborhood, your city, and the world/
4. What do you need to change in your life for this value to shape your life?

End your time together with a time of prayer. **Pray God will help you see how to be With & For the people around you and our city in the coming year.**
