We are so thankful to be able to gather together digitally and in-person. Thanks, Greenville Community Church, for proving **the church is more than a building; it's a movement.** No matter if you connect online or gather with us at our venue, we are praying you will engage consistently.

We recommend you set your House Church gathering around a designated time. The HC Video will be ready Sunday morning for you. We think adding a meal before or after is a great idea. We hope you will read Scripture together, pray together, ask questions together, and at times worship together. Each week will be different, so be ready to pause the video when asked to pray or share or read Scripture.

Worship and Prayer Moment...

We focus our digital experience on teaching and helping you process deeper questions. We also want to give you a suggested song each week to use for prayer and reflection as you prepare. This week we encourage you to use the song **His Mercy is More from Shane and Shane.** You can find it on Spotify, Apple Music, or here is a version on YouTube.

Put your headphones, be still, pray, reflect. Worship is just our response to the greatness of God!

Sunday Questions...

Here are four questions to help you process the teaching today personally, as a family, or as a group. If you are worshipping alone, journal your responses to these questions.

1. What did the Holy Spirit reveal to you today?
2. Why is conflict so difficult for us to handle as followers of Jesus?
3. Why are people drawn for live selfish lives warped by sin but also appear spiritual in church settings?
4. How should the grace you experienced from Jesus impact how you handle conflict with other followers of Jesus? How does it impact those far from Jesus outside the church?

End your time together with a time of prayer. **Invite God to help you to handle conflict in a grace filled way. You don't have to repeat the patterns of the past.**
