

February 13, 2022

We are so thankful to be able to gather together digitally and in-person. Thanks, Greenville Community Church, for proving **the church is more than a building; it's a movement**. No matter if you connect online or gather with us at our venue, we are praying you will engage consistently.

We recommend you set your House Church gathering around a designated time. The HC Video will be ready Sunday morning for you. We think adding a meal before or after is a great idea. We hope you will read Scripture together, pray together, ask questions together, and at times worship together. Each week will be different, so be ready to pause the video when asked to pray or share or read Scripture.

### **Worship and Prayer Moment...**

We focus our digital experience on teaching and helping you process deeper questions. We also want to give you a suggested song each week to use for prayer and reflection as you prepare. This week we encourage you to use the song **In Christ Alone from Kristian Stanfill**. You can find it on Spotify, Apple Music, or here is a version on YouTube.

Put your headphones, be still, pray, reflect. Worship is just our response to the greatness of God!

### **Sunday Questions...**

Here are four questions to help you process the teaching today personally, as a family, or as a group. If you are worshipping alone, journal your responses to these questions.

1. What did the Holy Spirit reveal to you today?
2. Why do you think we focus on the controversial parts of this passage in 2022 rather than the message of the whole text?
3. In what ways has idolatry, worship of the created rather than the creator, crept into your life?
4. How does understanding our brokenness in sin help us better understand Jesus?
