We are so thankful to be able to gather together digitally and in-person. Thanks, Greenville Community Church, for proving **the church is more than a building; it's a movement**. No matter if you connect online or gather with us at our venue, we are praying you will engage consistently.

We recommend you set your House Church gathering around a designated time. The HC Video will be ready Sunday morning for you. We think adding a meal before or after is a great idea. We hope you will read Scripture together, pray together, ask questions together, and at times worship together. Each week will be different, so be ready to pause the video when asked to pray or share or read Scripture.

Worship and Prayer Moment...

We focus our digital experience on teaching and helping you process deeper questions. We also want to give you a suggested song each week to use for prayer and reflection as you prepare. This week we encourage you to use the song **Resurrecting from Elevation Worship**. You can find it on Spotify, Apple Music, or here is a version on YouTube.

Put your headphones, be still, pray, and reflect. Worship is just our response to the greatness of God!

Sunday Questions...

Here are four questions to help you process the teaching today personally, as a family, or as a group. If you are worshiping alone, journal your responses to these questions.

1. What did the Holy Spirit reveal to you today?
2. How would you explain the significance of the resurrection to someone?
3. Who in the resurrection story surprises you most? How do you relate to them?
4. We explored many aspects of how God changed everything through the resurrection. Which of these to help you have greater faith...God exalted Jesus, defeated death, launched a new covenant, or now lives in us? Why?

End your time together with a time of prayer, confession, and praise!
